* His gown had fide [i, e. long] fleeser down to midleg, fit from the shoulder to the hand, and lined with white cotton. His double fleeser of black worelled: upon them a pair of points of never channeled along line with with blue threaden paintes. A wait towards the hands of fifidiananes. A pair of red weather flocks. A pair of pump on his feet, with a one cut at his best for curs; not new indeed, yet cleanly blackt with foot, and thinning as a thing here.

overfeer of all the inferior officers, and fees that all the money is made to the job still affect. 4. The alloy malter, who weighs the gold and silver, and fees that it is ascending to the flatandard. 5. The two auditors who take the counts. 5. The furryer of the meltingting, who, after the alloy malter must made full of the bulan, fees that it is salt out, and not altered after it is delivered to the melter. 7. The engrave; who engrave the flampy and dies for the orange of the monkey. 8. The clerk of the irons who fees that the irons are clean and did not work with. 9. The malter, who come the balloon before it be counted. 10. The provoft of the mint; who provides for and overfees all the monyses. 1. The blanchers, who arrived and clean the money. 12. The monyses form of whom forge the money, force flare it, fono round and milk it, and foam stamp and can it. 23. The protests who keep the gate of the mint.

Region region-9; provider order 9.

Mint was also a peruted place of privilege, in Southwals, near the Kings's Beach, and down by flatter. 17 any persons, within the limits of the mint,fall obftureh any officer in the ferving of any write or process. 8.C so difficult any person therein, or as he receive any bodily hurt, the offence shall be guilty of felony, and be transported to the platations,&c. Bhatt, O Geo.

Mint Marks. It bath been ufual, from old time, to obligise the malters and workers of the mint, in the indestructible with them. Yet too make a prity park in all the money that they made, as well of gold as of flyer, to that another case they might know, if none were, and write which memory of gold and silver among other of the fans moeyes, were of the own making, and which not? And whereas, after every trial of the pix at a softolimbic, the malters and workers of the mint, having there proved their moeys to be lawful and good, you immediately entitled to ceive their guardio under the great feel, and to be discharged from all fruits or distant occurring those moeyes, it was then uuful for the find maliers and workers to change the priy mark before doll for non-they, that fo the mooves from which they were not yet discharged night the distinguished from those for which they had already received their _spatula_, which now mark they then continued to flamp upon all their moeyes, and another trial of the pix gave them alfo their _protein_ concerning those.
